Event 20 will commence at 9:30am. NOTE: Players who register but fail to check-in on time without prior arrangement will not be eligible for a refund
Match Format and Scorekeeping:	Each event will be a straight knockout, seeded based on the ADA Rankings. The draws will be made by the ADA's Tournament Director following the deadline for registration for each event and made available via Dart Connect. When a match is allocated to a free board, players and scorers must be present within 5 minutes or they may be removed from the draw. Events 17-19 will be Best of 11 Legs throughout, with Event 20 being set-play best of 3 sets, best of 5 legs per set throughout. Any player who loses their first match of a tournament will become eligible to enter the Consolation draw. This will be a straight knockout with matches best of five legs until the final, which will be the best of seven legs. Scorekeeping commitments and board allocations for the main draw will take priority over the Consolation.

	Scorekeeping For the opening round of each event, the Tournament Director will select players with the longest wait time before their first match to score. This will depend on byes and the structure of the bracket in order to ensure fairness and allow players to best prepare for their match. In the event a player must play directly after scoring, they will be allowed a 5-minute break to refresh and warm up before commencing their game. For all other rounds, the “loser scores” system shall operate and losing players will be obliged to score(or provide someone suitable to mark in their place) or they may face Darts Regulation Authority sanction. All games will be scored using the Dart Connect scoring system on a tablet. Players can view the Dart Connect scoring system via www.dartconnect.com, and should a player require any assistance or training on use of the platform, ADA officials will happily assist. ADA Officials will be working from the control table located by the back entry. Members of the official’s team will be constantly walking around the venue to ensure everything is okay and should you require the assistance of any one of these then please approach them to speak of any concerns relevant to the competition you may have.
Prize Fund:	Each ADA Tour Event has a prize pool of \$5600 split as follows: Winner - \$1600 Runner up - \$800 Semi Finalist - \$400 Last 8 - \$200 Last 16 - \$100 Last 32 - \$50 Consolation prize money (does not contribute to rankings): Winner - \$100 Runner Up - \$50 Prize Money will be paid using PayPal or bank transfer, players will be required to provide their PayPal or bank account information upon check-in. Note: A player who benefits from a bye but then loses the match in the round into which they were placed as a result of the bye shall only be credited on the relevant Rankings with prize money based on the previous round. For example, if a player receives a bye from the first round (Last 64) into the Last 32 of an Event, but then loses in the Last 32, they shall not be credited with any prize money. However, if they win their Last 32 match but lose in the Last 16, they shall be credited with Last 16 loser prize money.
